*All monies and donations will be given to The McGarey Medical Foundation, a 501(C)(3) educational Foundation, presently planning a Community Advancement Center in Sunnyslope, AZ. The Center is meant as a support system for the Community – Community growth through fitness, health, birthing services, child care, the arts and, of course, education. Economically the community will benefit – holistically the community will be healthier – culturally the community will be richer.
